Close Brothers Commit to Junior Achievement

Mr. Linburgh Martin, Managing Director of Close Brothers (Cayman) Limited recently presented Junior Achievement's Director Ravi Kapoor with a cheque for US\$3,000 representing their commitment as a Silver Sponsor of the upcoming JA programme year. Mr. Martin comments, "Close Brothers (Cayman) Limited is committed to the development of young people and we are pleased that our donation will be used to assist Junior Achievement in their 18 week Company Programme and its Economics for Success curriculum. Our country's success is dependent on our youth, and as such we feel it's our corporate responsibility to see that our young people are taught the appropriate skills to cultivate our leaders for tomorrow. Programmes such as Junior Achievement provide a positive foundation for our young people by providing them with a sampling of the business world." The Board of Directors wish to extend their appreciation to Close Brothers for their financial support which will greatly assist JA in developing high school students into budding entrepreneurs and future managers and employees for local business.
